The Cold Water Classic benefits all LBSL swimmers. This event enables swimmers to have current competitive times for other LBSL invitationals scheduled for later in the season. Most of the league sanctioned times for other invitationals are due shortly after the Cold Water Classic. This event also offers the opportunity for all children to swim.

The age of the swimmer as of June 15, 2019 will determine age group placement. Each swimmer may swim **five (5)** individual events. In keeping with the competitive spirit to help each child succeed, children ages 12 and under will compete within a one year age category for certain events.
